DEFROSTING

COLD IPA

ALC. **6,7%** VOL

IBU
60

A new way to IPA, this beer has all the traditional elements of an IPA but with one notable difference, lager yeast! This crisp and dry Cold IPA is as hop forward as it gets, with a plentitude of american hops that provide fruity, piney, citrusy flavours and a pleasing yellow colour from the maize traditionally used in this style.

AVAILABILITY:

INGREDIENTS: Water, malted barley, flaked maize, flaked rice, hops, yeast.

FOOD PAIRINGS: Asian food, pasta salads, roasted sausages and cheese plates.
