

LONGAN BREEZE

COLLABORATIONS

SESSION IPA

ALC. **4,7%** VOL

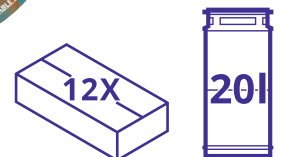

IBU

This Session IPA was made in collaboration with our friends at Taihu Brewing in Taiwan. A unique beer where we added the Longan fruit also known as dragon's eye which in addition to sweetness releases a slight smoky note. This lighter bodied, hoppy beer bursts with flavors of citrus and tropical fruit thanks to Citra Hops. We hope that Longan Breeze helps enhance your session in each and every occasion... Cheers.
